

HERE'S AN IDEA OF HOW THE ART SESSIONS RUN

YOUR ART WORKSHOP

2 hour workshop

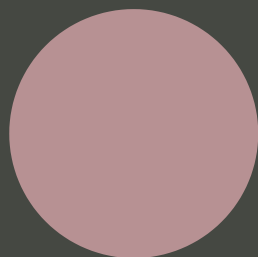

All materials provided - just turn up

Max class size - 4 people so lots of time for tuition

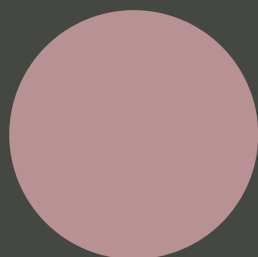

INTRO AND THEORY

Work stations will be all set up and materials provided. We will run through some basic theory of abstract art.

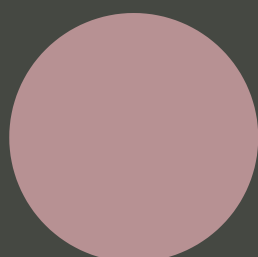

MAIN WORKSHOP

I'll do a short demonstration. Then it's over to you to have fun and experiment mark making and adding colour. I'm there to guide anyone who feels stuck. At the end of this we take time to assess & get/give feedback. Also time for questions.

FINISH

By the end of this session, you'll end up with a complete work that is ready to be put in a standard size frame.

CLEAN UP

Leave that to me.
